One of the most frequently asked questions we get is "What is a Knothead?"

In our case, it's three guys with a vision to take a quaint little restaurant in a quiet little town and turn it into a destination for amazing food, drinks and socializing in a fun, friendly atmosphere. What was once named, River's Edge, quickly transformed into a bar and grill called "Knotheads" in 2018.

In November of 2020, one of our beloved "Knotheads", Duane "Boogs" Heisinger, lost his battle with brain cancer. It's in his memory that we continue to live each day with joy and love. Stop in and celebrate anything that makes you happy! Fast forward to 2022, Knotheads is currently locally owned and operated. Our mission is to provide a fun and family-friendly environment with locally raised beef to support our local farmers.

Stop in, enjoy a cocktail out on the patio with an amazing view of the Missouri River, or dine in and enjoy a fresh, hand cut steak! With our live music events, private party reservations, exceptional food, online ordering, and takeout options, we have got you covered.
